

FAI Filtri Warranty Policy

All Fai Filtri products are warranted to be free from defects in material and workmanship for a period of 2000 hours. Fai Filtri shall not be responsible for products which are subject to misuse, abuse, acts of God, abnormal use, shipping damage on route to buyer, or where Fai Filtri's instructions have not been strictly adhered to.

If the merchandise furnished to the Purchaser fails to conform to any of the terms of this written warranty, Fai Filtri shall replace the item free of charge. Any transportation charges involved in such cases shall be the responsibility of the buyer. If Fai Filtri determines that replacement is not commercially practical, a credit will be issued for the original purchase value of the failed item only. In no event shall the liability of Fai Filtri exceed the purchase price of the product. Fai Filtri shall not in any event be liable for the cost of any labor or travel costs expended by reason of the fact that such material does not conform to this written warranty.

Goods which may be eligible for credit or replacement under the limited warranty policy should be returned to the Seller as soon as a defect is detected.

The warranty described above is in lieu of all warranties, expressed or implied, including the implied warranty of merchantability and the implied warranty of fitness for a particular purpose, which implied warranties are expressly disclaimed.

Fai Filtri expressly disclaims and excludes any liability for consequential, incidental, indirect or punitive damages for breach of any warranty. This limited warranty shall constitute the complete and final agreement between Fai Filtri and Purchaser with respect to all warranty obligations of Fai Filtri for products sold.
